

We thrive
when our
**KIDS
THRIVE**

**WE ALL HAVE A
ROLE TO PLAY!**

Colorado thrives when our kids thrive because they are our future workforce, leaders and community members. We all have a role to play in preparing Colorado's kids for the future, even those of us in the business community who may not be directly involved in raising kids.

When parents need extra guidance in this area, a wide variety of programs and services are available to provide support and resources.
