

We thrive
when our
**KIDS
THRIVE**

**WE ALL HAVE A
ROLE TO PLAY!**

Colorado prospers when our kids thrive. We need a broad base of participation to obtain civic, social and economic well-being in Colorado, even from those who are not involved in day-to-day raising of children. The community's role is vital to helping Colorado's children succeed.

When parents need extra guidance in this area, a wide variety of programs and services are available to provide support and resources.
